Sheila,

Thanks for speaking with me today regarding the information request that EPA issued to Statoil. Here's my understanding of how Statoil should proceed regarding Request 65. Please correct me if my understanding is in error.

- Within the deadlines already agreed to by EPA, Statoil will produce all responsive letters and readily identifiable emails to/from OEPA, ODNR, and US FWS (if any).
- By a date to be determined, Statoil will produce responsive emails to/from key individuals at Statoil who coordinated with OEPA, ODNR, and US FWS (if any) on behalf of the company. I will inquire with Statoil as to a reasonable timeframe to produce these emails, but anticipate this will occur after October 24, 2014.
- I will inquire as to phone records for the key individuals at Statoil who coordinated with OEPA, ODNR, and US FWS (if any), and identify, as appropriate, a reasonable timeframe to produce such phone records.

Thanks,

Ilana
